

**MINIMUM QUALIFICATIONS FOR RECEIPT OF
REQUEST FOR PROPOSALS DOCUMENTS FOR
DESIGN-BUILD SERVICES FOR THE JFK T6 REDEVELOPMENT PROGRAM**

To receive access to this RFP, prospective respondents must provide the JFK Millennium Partners (JMP) procurement agent with the following items:

- The name and contact information for the respondent company (companies)
- Evidence of successful delivery of +\$250 million airport project
- Access to General Liability Insurance with limits of at least \$300 million
- The executed non-disclosure agreement

The documents should be emailed to procurement@jft6.com

Further details on the information and documents to be provided:

- Respondent Information: Company name, address, lead contact name and contact details. If joint venture, same information for joint venture partners.
- Project Evidence: The lead contractor must have led the construction of a \$250 million or greater airport terminal project since January 2008. If the Respondent is a newly formed Joint Venture, then one of the underlying joint venture members/guarantors will have to demonstrate the experience to meet this requirement (see document included below)
- Insurance: the respondent will be required to provide CCIP insurance with a General Liability of \$300 million. Please provide confirmation that your firm/joint venture has this capability. The developer reserves the option to provide an OCIP program during the RFP process.
- Non-Disclosure Agreement (NDA): Fully executed agreement by the respondent. If a joint venture, both firms must execute the provided NDA. No changes to the NDA are allowed.
- Upon receipt of the emailed documents, an acknowledgement of receipt will be provided by the Procurement Agent
- Once qualified, a link to the RFP documents and appendices will be provided by email.

1. Respondent information:

Company Name: _____
